SERVICE - OUTREACH: *Food Baskets*

This program coordinates collection of food baskets for people in need within our congregation, school or community.

This position's responsibility includes:

- A month before Thanksgiving, two or three families are chosen with the help of the pastor, principal or others with knowledge of those in need.
- Make arrangements to have announcements posted in the church bulletin; church newsletter via email; and school notes; that we are now collecting food.
- Place a large box or basket in a designated area of the Narthex, for the collection of non-perishable items.
- At least one week prior to Thanksgiving, organize collected food. Please make efforts to watch special diets needs of those who are receiving baskets.
- Arrange baskets or boxes with selected foods.
- Enclose a devotional booklet; church service schedule; and any other applicable information.
- Call recipients to schedule a delivery date.
- You may want to take a second person with you to make the delivery.
- Prepare a written report and forwarded to the *Women on a Mission Service Outreach Coordinator*, detailing the outcome of this year's project. This will be reviewed at the following board meeting.
- Continue to pray for all of those who are in need.
